Shin Woon

The servant of the dragon pearl committed a crime so grave

that he became bound to it as punishment for his actions.

While I am unsure about his current physical appearance, he is most certainly evil to the core.

Thus, I pray that you do not believe his words and steer away from his suggestions.

HA!

you dare to
speak of him
without knowing
him personally?

have you
already forgotten
what you had done
to madam muryak?

your race
caused lord karrak
to be bound to
this planet?

it's my
shame!

enough of your
words! it's all
rubbish!

Indeed, I have lost
my memories, but I have
learned and grown closer with
these eyes and ears!

Who do you think
I'm too stupid to deal
with just my sense of
justice, I'm too stupid
and I'm too?

Shinigami

**YOU ARE
BEINGS OF PURE
DARKNESS!**

Isn't it
natural to desire
a corruption?

If you think that
covering up your
crimes would be
enough, think again.

I will cast aside your mask and reveal your true human nature.

What's happening?

I don't know what's going on here, about so far away from their country.

Uhh... You have beautiful eyes down here...

LADY REANA!

MY SLUMBER OVER THE CENTURIES SEEMS TO HAVE CLOUDED MY JUDGEMENT.

i thought that
they would have
tried to abuse fog
their past sins,
not my hesitation

has put you in a
vulnerable situation
before the image,
and i humbly ask for
your forgiveness!

however, those names
are trying to use you
to do their bidding.

we do not
need to stay and
listen to them
any longer!

we should leave
immediately!

A dark, atmospheric scene. In the foreground, a woman with long, flowing brown hair is seen from the back, wearing a red dress. She is looking towards a man in a blue robe who is standing in the background. The man has a white mask and a white sash. A speech bubble from the woman says "Lady Rijenar." and a speech bubble from the man says "He is a murderer." The background is dark and moody, with a large, dark, shadowy figure in the center.

Lady Rijenar.

He is a murderer.

When he was
a man, he killed
his own kin...

and collected an
insurmountable amount
of intolerance to strike
at the dragons.

His sword tore through the sky and reached even the heavens.

It was deemed to be too great to be granted death, so he became bound to the Dragon Pearl as a servant forever.

However, the person in question's endeavor... of this, and pretties on his words like weapons.

His rudeness far exceeds that of which his Ruler would approve of.

WOULDN'T YOU CONSIDER DISPOSING OF HIM HERE AND NOW?

Here is not
the place to
adore

I will not tolerate
any further impropriety

His horns!

Dragons only
do that when they
wish to enforce
their will.

but it is
also a choice.

I just wanted to see
that human's reaction, but
I didn't expect the Dragon
to show his horns...

I must tread
carefully...

Well...
I don't know
what happened
to them like two
in the past.

But I don't
think looking
at each other like
that will solve
anything.

I am looking
for a parasol.

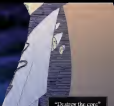

A parasitoid left
by its certain dragon
used that artifact to
harm Katsuki.

My objective is
to find that parasite's
core and destroy it.

I hope you
will resist me...

"Destroy the core"
...Then what?

She's hiding something from us.

Regardless, she is
just a human. We
do not need to abide
by her every order.

There's no need to
reveal all our cards.

I can just use
Karin to subdue
that servant...

A parasite?
So and believe
they're still
around...

Certainly, Madam Muniyah looked rather ill the last time we saw her.

... you L&B have
to keep searching.

GRRR

She was on the verge
of going insane because
she was betrayed by
her Rujinas

Thus, she entrusted
Rairok to that sword
and secluded himself,

severing all
connections to the
outside world

That was 300
years ago

If that parasite
is moving around
freely, then Madam
Muniyah must have
left this planet
already

You may be able
to find more clues
if you go to where
she resided

I thought this would
be all over once Kurak
left this planet.

We will...

... become extinct
if all the dragons
leave this planet.

If that is what...
Kagami wishes...

didn't you know?

We are naturally devoid
of all emotion.

he is easily
influenced by
Lady Ikuma,

so he will
change according
to your wishes.

if you wish for
Lord Ikuma to leave
this planet,

*...Don't force
that responsibility
onto me.*

*you just have
to keep saying
that he has to...*

*and think
for yourself!*

Looking back now,

I'll have to
tell him to leave
that party out
before he...

...I might've been blaming Kairak
for everything that's happened.

I'm an idiot.

There's
nothing to gain
from getting mad
at him.

I didn't think about
how he felt...

...and I still can't guess how he feels.
